Vincent Daniels  
Business Administrator/Board Secretary

November 11, 2021

Dear Parents/Guardians of Tinton Falls Students:

I wanted to provide you with clarification as to when remote learning is an option for your child. We have received questions regarding remote learning and have made a few adjustments and clarifications. We hope this chart is helpful. **As a reminder, in-person instruction is the most effective form of teaching to meet the needs of our students.**

<b>Remote Learning Available</b> (Depending on when our school receives the notification will determine when remote learning will be available--the next day or the following day)	<b>Remote Learning NOT Available</b>
The student is positive for COVID and must quarantine.	The student is just not feeling well.  Ultimately, if a student is not feeling well, they should rest and follow the doctor's recommendations.
The student had a close contact or household contact with a COVID positive person and must quarantine.	While a student is traveling
Awaiting COVID results for the student and must stay home until results come in.	The student misses the bus
International travel quarantine (adjusted November 2021, as International Travel has become more available)	Doctor's appointments/ family engagements

**A parent/guardian must contact the school nurse to initiate remote learning. Speaking to the teacher will not initiate remote learning.**

**Additional questions regarding remote learning should be directed to school administrators. Thank you.**

Sincerely,

Lisa Goldey, Ed.D.  
Superintendent of Schools
