Dear Parents/Guardians:

Last month, Dr. Marion Lamberti announced that she would be retiring and leaving the District after more than eighteen years of leading our schools in the Tinton Falls Community. As a long time colleague of Dr. Lamberti's, I am very sorry to see her leave, but I am thrilled that she will be able to start this new chapter in her life. Dr. Lamberti will be missed by all of us. We wish her the best of luck, and I personally thank her for her dedication to our schools.

At the July 20, 2020 Board of Education meeting, a new principal was approved to join the Tinton Falls team and lead Swimming River School. Mr. Benjamin Howroyd will be joining us in the next few weeks. Mr. Howroyd comes to us with a plethora of experience working with students in the intermediate elementary grades. He was a third-grade teacher for over 15 years and a Vice Principal of a three-through-five elementary school in Howell for the past two years. Before his start date, he will be reaching out to our school community through a variety of communications. Please join me in welcoming him to Tinton Falls.

Dr. Lamberti will have the opportunity to work closely with Mr. Howroyd for a smooth transition as we start the 2020-2021 school year.

Sincerely,

Lisa Goldey
Superintendent of Schools
