Dear Parents/Guardians:

As we all process the horrific events that took place yesterday at Robb Elementary School in Uvalde, Texas, I would like to assure you that we have always made school safety our number one priority. All our school safety protocols are in place and fully operational. The Tinton Falls School District has an excellent relationship with the Tinton Falls Police. We continue to have our SRO officer and police presence at all of our schools.

Should you need resources to speak to your child about such tragedies, please check out the resources available at The [National Child Traumatic Stress Network](#).

As always, if you have any questions or concerns, please reach out.

Sincerely,

Lisa Goldey, Ed.D.
Superintendent of Schools
