Dear Parent/Guardian,

Attached you will find the District Calendar for the upcoming school year, 2018-2019 for your planning purposes. The calendar is very similar to our most recent school calendars. There is one notable change that was put in place due to the summer referendum construction that will be taking place in the district over the next two summers. This change will eliminate adding days to the end of the calendar if more than the three (3) days built in for school closings are used.

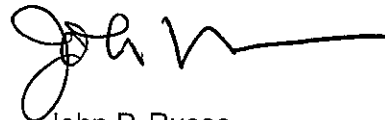

In the event additional school closings are needed beyond the three (3) built in days, they will be added by eliminating the following days off:

First, eliminating President's Day, then from Spring Recess, beginning with the last day of break and working back, if needed.

Please remember, that these days off will only be eliminated if it is necessary to close school beyond the existing three (3) days built into the calendar.

This plan is intended to provide the much needed time during the summer to successfully complete all planned construction projects.

Sincerely,

A handwritten signature in black ink, appearing to read "John P. Russo", with a long horizontal line extending to the right.

John P. Russo
