

ANNOUNCEMENTS

GENERAL

1/11/2019	Today is a "B" day.
-----------	---------------------

TRUSTWORTHINESS

The character trait for the month of January is trustworthiness. If you are a trustworthy person, you are someone others can count on to follow through on promises, obligations, and commitments as well as telling the truth. A person of character would look at trustworthiness as a trait that they feel is important to have, but also important to expect from their friends. A trustworthy person is someone that you can tell your worries and secrets to and know they won't repeat them. In order for trust to be earned, it must be proven over time.
