

ANNOUNCEMENTS

GENERAL

2/11/2019	Today is an "A" day.
-----------	----------------------

FAIRNESS

The character trait for the month of February is fairness. From an early age, you've probably had strong opinions about what is fair and what isn't. Everyone does. People often simply see those decisions that help them as "fair" and those that don't as "unfair." Only one thing is clear when it comes to fairness: it is often a matter of perception. To ensure that choices are fair to as many people as possible, rules and expectations should be very clear to all and everyone should abide by the rules. Everyone must be treated the same under the rules. Being fair to others will help you to become a happy, successful, and well-respected individual.

2/13/19	This week, Ms. Lemanski is collecting any Hoops for Heart money you have raised. It is due no later than February 14th, which is also the day of our event. Don't forget to bring in a few extra dollars this Thursday for half court shots.
