Dear Parents/Guardians:

Pursuant to N.J.S.A 18A: 7C-6.6 school districts are required to provide parents and guardians with information on the state assessment and any commercially-developed standardized assessment administered during the school year. Please find the 2018-2019 testing schedule on the second page of this letter with approximate times listed. These times include breaks and set up time. These dates may also be found on our district calendar located on the district website at www.fsschools.org. As we get closer to the testing dates, school principals will provide a more detailed letter regarding standardized testing.

Should you have any additional questions regarding standardized testing, you may contact my office, or the school office.

Sincerely,

Elizabeth Cole
Assistant Superintendent of Instruction/
Instructional Coach
