June 14, 2021

Dear Parent(s)/Guardian(s),

As we wind down the school year and begin the next two months of sun and fun, we must also maintain the skills and content learned this school year. Please continue to partner with us to help the students maintain their reading and math skills by completing a reading assignment and math practice created by our teachers at each grade level. Middle school student assignments are mandatory; students in grades 3-5 will receive extra credit for their submitted work; students in grades K-2 will participate in an engaging activity in September in their classes.

Please go to the grade that your child will be entering into on September 8, 2021. Check out our [Summer Reading List 2021](#) guide for students entering grades K-8 for excellent book titles. Follow the links below for the specific grade level assignments.

Finally, new this summer is the [Summer Reading Challenge](#). Take part in this challenge and your child will enjoy a fun ice cream social in mid-September during the school day at their school.

[GRADES 1-2](#)

[GRADES 6-8](#)

Enjoy your summer and let's keep our kids READING!!

Sincerely,

*Elizabeth Cole*

Elizabeth Cole  
Assistant Superintendent of Instruction
