

SUMMER READING CHALLENGE

Is your child a voracious reader and needs book suggestions or access to free ebooks?

Do not fear! The three links on this flyer will keep your reader's interest or help provide him/her with suggested readings.

[Virtual Summer Camp Adventure](#)

[Summer Reading Challenges from Novel List](#)

[Summer Reading List](#)

Choose one or more of the links above to participate in the Summer Reading Challenge.

Virtual Summer Camp - read one book and complete one activity each week, Novel List Challenges - complete all the challenges, Summer Reading List- read for 20 minutes everyday.

If your child does some extra reading this summer, complete the form linked [here](#). Any students that go above and beyond the required summer reading will be invited to an ice cream social in September.

On the flip side, maybe your child is not the best reader or lacks interest in reading. The Summer Reading Adventure or the Summer Reading Challenge might motivate him/her to read.

Share your completed projects on [FlipGrid](#).
